# Holiday Photo Card Contest

Are you (or a family member or a close friend) an aspiring or hobbyist photographer with some work you'd love to show off?

We're currently accepting submissions for **our first annual holiday card photo contest.**

Each year our offices send out a New-Year-themed holiday card to our clients and contacts in the industry. The card typically features a photograph taken by one of our internal employees. This year, we wanted to open up the chance for you to have your work featured as well!

Here's an example of a previous year's card so you can get an idea of what we're talking about:

*How do you enter?*

Just send in a **jpg** of your best work to [ksearles@macroccs.com](mailto:ksearles@macroccs.com) for a chance to win. *You may submit up to three (3) photos.*

The selected winner will receive a **\$250 gift card** to Amazon.com & have their photo featured on this year's MACRO.CCS holiday card, which will be sent out to 1000s of clients and contacts up and down the west coast.

*What we're looking for this year*

- A photo that captures the essence of the New Year
- Something slightly abstract
- COLOR!

**SUBMISSIONS WILL BE ACCEPTED UP TO 11/18**

**A WINNER WILL BE SELECTED AND NOTIFIED 11/22**
